

The Firewise Committee will be conducting our twice-per-year Community Fire Safety Review of all properties in Kohala by the Sea: empty lots, homes under construction, and completed homes on

10:30am Friday January 15, 2021.

During our upcoming Community Fire Safety Review, volunteers may be walking over and observing on empty lots, gulches, easements and areas needing Firewise work. We will stay on the periphery of lots with homes so as to not compromise the privacy of owners/residents. If you do not want us on your property, please contact Dominic Yagong at Associa Hawaii,

Dominic@associahawaii.com by January 7, 2021 to let us know.

Thank you for your cooperation in keeping our community “Firewise”.

Your Firewise Committee

Jane Mayo, Diana Bonnici, Josh Gerbert, Ken & Wende Thompson
