

April 10, 2020

Aloha all KBTS residents,

Several farmers and local food vendors have created a website for direct order and delivery. Because we have critical mass here in KBTS, the vendors have agreed to pack our orders and make delivery to KBTS. Order by Sunday evening and pick up on Tuesdays between 5-5:30 (subject to change, check current website below) on Hoewaa Place. If you can't make the delivery time, David Kaplan has generously agreed to temporarily hold your delivery, his address is 59-112 Hoewaa Place.

Here is the link: <https://mother-natures-miracle-farms.myshopify.com/> Note on the order form, there is an option for delivery to KBTS residents.

The produce comes from Mother Nature's Miracle Organic Farm which is quality producer. They are meticulous with their washed salads and have a wide variety of fruits and vegetables from which to choose. In addition to specific orders, they are also offered best of the week boxes in small and large sizes. There are also products from Kulina Lani Organic Bakery, the Organic Raw Honey of Wai Meli, Motek (Middle Eastern appetizers), Big Island Creamery, and Spicy Ninja Sauce—watch the website for new additions!

This really helps these food vendors in tough times and gives us access to healthy fresh food without having to travel too far. Hope you will consider supporting this worthwhile endeavor.

Please give an extra mahalo to David Kaplan for organizing this opportunity for Kohala By The Sea residents! Take care all,
